

GO BEYOND

Discovery 4 – 3.0L TDV6 HSE (Diesel)

The ultimate All-Purpose-Vehicle, premium, highly advanced and supremely able, for adventurous people who lead big lives.

Terrain Response®

Your own off-road driving expert. You simply have to select the correct Terrain Response® option as per the surface conditions. The system then automatically picks the most appropriate settings for many advanced electronic controls. This ensures that all surface conditions are managed, leaving you free to enjoy the drive.

Integrated Body Frame

A Land Rover patented technology to deliver comfort, refinement and on-road attributes of a monocoque design and standards for off-road performance too.

Versatile Interiors

As many as seven adults can travel in complete comfort and enjoy a full-sized, forward facing seat, generous legroom and wide-opening doors for easy access. The flexible, versatile seating layout offers multiple configurations to suit almost every conceivable use.

Inside the Comfort Zone

Stadium style seating and generous glass areas provide the passengers a panoramic view of the surroundings. Land Rover's Legendary Command Driving Position gives the driver better visibility of all 4 corners of the vehicle for better control and maneuverability.
