

GO BEYOND

Range Rover 3.6L TDV8 Vogue SE (Diesel)

The new 2010 Range Rover stands alone, above all others as the flagship, as the ultimate, as the supreme luxury 4-wheel drive vehicle.

Land Rover's Ultimate Expression of Taste.

The Range Rover's interior attains a pinnacle of luxury and elegance. Real wood and leather combine to deliver an environment that is the supreme expression of taste, providing a tailor-made feel that is without equal.

Effortless On-road, Legendary Off-Road

6 speed auto-transmission with command shift, inter-linked electronic air suspension, Terrain Response®, DSC are some features that give the Range Rover supreme off-road capability and sublime on-road handling.

Dual View Technology

The touch screen with dual view technology uses 1,280 x 480 resolution, patented Parallax Barrier Technology to display alternative columns of pixels to left and right hand views allowing driver and passenger to see different images.

Terrain Response®

You simply have to select the correct Terrain Response® option as per the surface conditions. The system then automatically picks the most appropriate settings for the many advanced electronic controls. This ensures that all surface conditions are managed leaving you free to enjoy the drive.
