

GO BEYOND

Range Rover Sport 3.0L TDV6 HSE (Diesel)

A sports tourer. For image aware achievers, it makes a seductive statement of power and style that delivers thrilling all round athletic ability with genuine 4x4 authority.

Sporty Performance with Confident Handling

Highly refined, powerful engine delivers massive torque and effortless acceleration. Confidence is achieved through a combination of its performance-tuned chassis and advanced braking technologies.

Terrain Response®

You simply have to pick the correct Terrain Response® option as per the surface conditions. The system then automatically selects the most appropriate settings for the many advanced electronic controls. This ensures that all surface conditions are managed leaving you free to enjoy the drive.

Cocooned in Sporting Luxury, Touring Comfort

The edgy, sporty cockpit is designed to cocoon the driver. The high command, sculpted seats are made to sit in, not on, creating a more sporty experience.

Statement of Style

The desire to drive and experience Range Rover Sport is enhanced by its athletic, muscular design. The wheel arches are subtly flared, power vents sit behind the front wheels and there's a sharp muscular line that runs along the car's hips.
